# Let Scovill Fasteners Complete Your Look...

As a long-time supplier of fastener products and trim resources for the Jeanswear market, we stay on top of the latest styles and trends to work collaboratively with customers to create closures that enhance garment appeal. Our sales team, technicians and service specialists are located around the world to support customer needs. Scovill is able to provide seamless service from design selection and sampling to delivery and application.

- 3D artwork in 24 to 48 hours of request
- Hundreds of finish colors and textures
- Custom color matching
- Design support

## Customer-Centered Solutions Support Your Needs...

Scovill is always prepared to offer assistance to customers throughout the selection process and beyond. Our US-based global headquarters coordinates with our other facilities around the world to provide partnership every step of the way.

- Piece of Mind Attaching System (PMAS) assists in fastener selection per application needs
- Global support enables timely exchange of artwork and product specifications
- Responsive, global field support for attaching machines and tooling
- High standards for quality control and product testing

We offer products that meet US and EU regulations, including the Consumer Product Safety Improvement Act (CPSIA). Many of our nickel-free products, including brass Mighty Snaps® in white bronze finish, are certified by Oeko-Tex® Standard 100.

## Button It Up With Duramark®...

Our Duramark® Tack Buttons and Burrs match denim's superior strength. These products are known throughout the Jeanswear market for their ability to hold fast and fashionably through the hardest wear and harshest washing conditions. When considering Duramark, customers can choose from a variety of components that meet their price point. Scovill has the ability to achieve a wide range of finishes to accommodate customer's designs. Duramark products, like all Scovill fasteners, are tested in our Fastener Application Lab to ensure product reliability and safety.

## Snap It Up With Mighty Snaps®...

Mighty Snaps® are the fasteners of choice for infantwear and childrenswear garments. Offering substantial holding strength, Mighty Snaps work for a range of secure applications with a variety of snap actions for infant or toddler overalls and jeans as well as other garments, such as men's trousers. This product is available in over 300 standard colors and offered in custom color matching options. Mighty Snaps can also be produced with rubber, plastic and metal snap cap tailored designs.

## Zip It Up With Our Trim Resources...

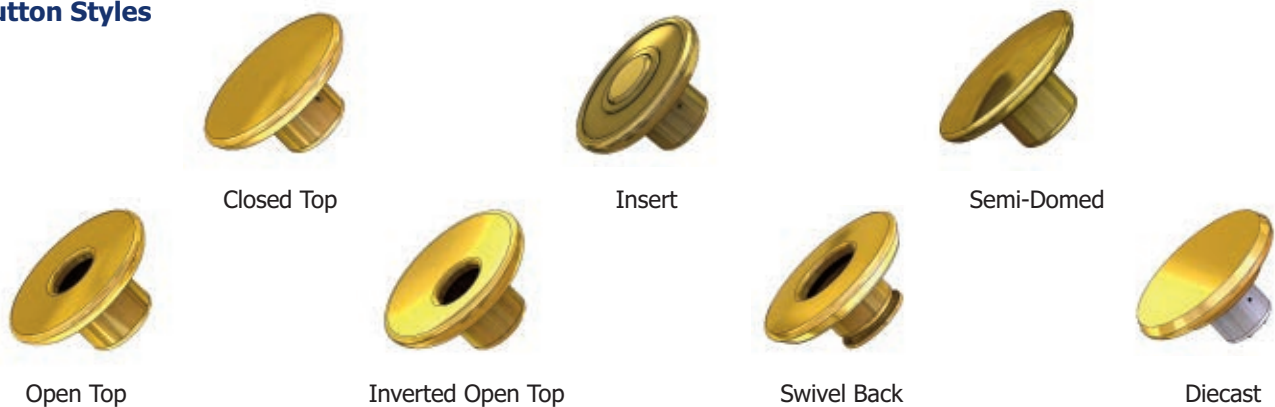

Scovill not only offers metal buttons and snaps, but also metal name plates and zippers. Our wide range of quality zippers include open-end and closed-end in a variety of sizes, lengths and functions. Zippers are also available in many different tape colors and teeth finishes with many custom and standard pull options to enhance garment appeal.
