

LOXX[®]

**THE SMART STRAP LOCK
MADE IN GERMANY!**

„A STAR IS BORN...“

Schaeffertec

„Don't let me down...“

What makes a good strap lock?
Correct functionality, good looks, easy to
use and especially: perfect reliability!

The intelligent design of **LOXX**, with its inner spring and high-grade materials, allows secure handling of the instrument in even the most extreme conditions – and yet it is perfectly simple to use.

„A lock star on the stage...”

The perfect strap lock system for guitar and bass gives you the freedom to concentrate fully on your performance!!
Let's start...
